Module Ten – Higher Sense Perception: Amplifying and Expanding Your Intuition

Intuition, clairvoyance and direct knowing are already inside of you. What is needed to reclaim your higher sense perception is removing denial and mistrust in your innate intuitive gifts. That's the aim of this Module.

In this module, you'll discover:

1. The power to overcome the cellular level fear preventing you from tapping into your higher sense perception
2. How to trust your feeling body for making decisions and leading effective healing sessions
3. Connecting with your Spirit Guides of the highest light
4. Accelerated Quantum tools for rapidly stepping into your intuitive abilities – practice sessions

Dyad exercise

Tapping into the power of love and service to bring out your superpower of higher sense perception

Practice: Buddy Practices

Working with your buddy, and with your professional clients to embrace your higher abilities – guidance on doing that
