Module 2 - Receive Clear Guidance: Awakening Energy Reading Abilities – Testing Chakras

Everything you need to know personally, professionally and spiritually is always available to you. Dowsing is a highly accurate way to receive needed guidance of any kind. Knowing dowsing techniques are of great value in healing or medical work, and will clarify any form of decision making.

In this module, you'll discover:

Guided practice – Clearing, invoking body pendulum, getting yes and no movements, take 'er for a test drive

Examples of using body pendulum in clinical settings or remote healing sessions

Using a pendulum for Yes/No answers, clinical decision-making and energy testing

Working with external pendulum – examples and guided practice, testing chakras

Guided practice using pendulum to test chakras remotely

Guided practice using dowsing boards for clearing and raising your energy vibration, and gaining insights

Energy clearing with pendulum, testing physical, emotional, mental, spiritual vibrational level using dowsing boards

Raising vibratory rate

Source of guidance determination
